

Will Your Home Survive a Wildfire?

Get your **free** wildland fire home assessment done today!

Every year, thousands of homes are damaged or destroyed due to wildfire. You live in the wildland-urban interface, which makes your family and your home more susceptible to this natural disaster. Both lives and properties are at risk, but YOU can take the necessary steps to protect your home and prepare your family.

Contact your local fire department to schedule your **free home assessment today!**
