

CORPORATE MEMBERSHIP

Being a Corporate Member of the NVFC is an important and key business strategy. Every benefit level provides opportunities to develop relationships, increase visibility, grow sales, and show your support of the NVFC and to the fire, EMS, and rescue forces. Individual Members of the NVFC – close to 20,000 strong – represent a wide range of service levels, ranks, departments, state associations, and more. They are looking for information, education, programs to implement, national advocacy, discounts, news, and who are the recognized service providers.

Through corporate membership you'll be seen, recognized, and validated. Your ads will be spread across a multitude of media, you'll get to network at national board meetings, and have your logo included in highly sought after publications. You can even plan out and build your marketing messages through targeted online ads.

Corporate Membership is not just ads. It's a relationship with the NVFC that continues to build and grow depending on your goals and mission. Your support also allows the NVFC to advocate on behalf of the volunteers, create needed programs and tools, and develop new content. There are a number of member levels to meet your needs and budget. Make plans now to grow your business and partner with the NVFC.

We look forward to welcoming you to the NVFC. If you have any questions, please contact Meg Goldberg at (202) 887-5700, or meg@nvfc.org.
