Learn more at rewardvolunteers.coop

Want to know how easy Reward Volunteers is to use? Follow these simple steps and then start logging your hours.

1. Visit rewardvolunteers.coop and create an account.
2. Choose **National Volunteer Fire Council** as your 'on behalf of' organization when logging your hours-you can pin it so you won't have to choose it every time!
3. Add **your local firehouse** in the comment box. This will allow your local firehouse to win cash and prizes!
4. Log your hours and hit 'report'. Now you're eligible to win prizes for you and your firehouse!

~~~~~ Just by logging volunteer hours! ~~~~~

**One lucky volunteer first responder will win an amazing Cruise for themselves and a guest! It is the way the farm families of Cabot Creamery Co-operative want to honor firefighter, EMS, and rescue volunteers.** All you have to do is log the hours you spend volunteering with Reward Volunteers between September of 2018 and March of 2019 and you could be selected for a New England & Canada Cruise! The winner will be announced in April of 2019. There are also great prizes handed out EVERY month by Cabot and other B Corp companies, so start logging your time now!

## About The Cruise

Imagine 60 passionate volunteers, their special guests and a team of farmers' champions gathered for a fall cruise through Canada and New England to honor the people who make a difference for good in their communities. This is what the 2019 Cabot Community Celebrity cruise is all about. Cabot affords those who have logged hours on Reward Volunteers a unique and fulfilling opportunity to restore their spirits and network among like-minded volunteers. The farm families who own Cabot Creamery are honored to be making this celebration of good possible.
