

T.J. Nedrow, Washington Director (2002 to present) Seeking your vote to remain your EMS/Rescue Section Secretary Officer.

Thank you for your support of the volunteer EMS community, the NVFC EMS/Rescue Section which addresses standards, facilitate initiatives that support volunteers.

I am well qualified for the position with extensive involvement in the NVFC having been appointed to the EMS committee in the spring of 2003 followed by continuing service in the Secretary Position of EMS/Rescue Section to present day. Unique perspective offered: Given that Washington State has an extensive and progressive EMS system allows me with insight and engagement from a unique approach to the past, present and future of EMS throughout the West coast. In addition, as a part of the NVFC Legislative Committee I offer great value and awareness of EMS initiatives with legislative implications. Lastly, I possess broad and extensive experience with committee policy and procedural aspects of committee that continues to prove worthy.

I appreciate and look forward to continue serving you as Secretary of the NVFC's EMS/Rescue Section.

T.J.
