

## SPONSOR INFORMATION AND DETAILS

Being a sponsor at the National Volunteer Fire Council (NVFC) Training Summit provides an opportunity to have your brand visible and for networking and developing important relationships with meeting attendees – volunteer department leaders and frontline first responders – who are coming to learn, find new and better ways of doing things, and explore ways to stay sharp, healthy, and ready to serve their communities.

### What To Expect

The Summit is designed for classroom learning in two tracks. There are morning breaks, networking lunches, and a Friday late afternoon social networking event with mini-expo. Attendees will be in educational sessions outside of these events.

Sponsors need to pre-register for badging and meal-planning purposes. Classroom space is limited. If you would like to attend any educational sessions, they are complimentary; however, they **must be** pre-selected with registration. All Summit sponsors are welcome at the Opening/Closing Sessions, breaks, and lunches; these are included with your registration. If you didn't pre-confirm a session and would like to attend, you may wait until all conference attendees are seated before choosing your seat.
