

IFSTA's ResourceOne is an online fire service training solution, based on IFSTA-validated publications and curriculum.

The IFSTA **ResourceOne Classroom** learning management system (LMS) is provided as a no-cost benefit to fire departments and educational institutions that use IFSTA manuals.

In the **R1 Classroom**, instructors will find IFSTA curriculum components provided in an online setting AND additional, premium content for instructors who want a more comprehensive e-learning solution.

Base content includes:

- Chapter quizzes and tests
- PowerPoint slides
- Discussion forum
- Skill sheets

Premium content includes:

- Interactive content modules
- Course workbook
- Exam Prep

All instructional plans require that each student have a printed copy and/or eBook of the associated IFSTA manual to successfully complete the course. **Available courses can be found at <https://r1.ifsta.org>.**

Register online by visiting the **ResourceOne** homepage, <https://r1.ifsta.org>, and clicking the red "Log In" button in the upper right corner. From there, click "Need to create an account," and you will be directed to a fillable form.

INSTRUCTORS ONLY - Have an IFSTA account, but need to request a course? Click the button as detailed below on the **ResourceOne** homepage. You will be directed to a course request form.
